

## Practice Area | Automated Packaging & Material Handling

**Direct Recruiters specializes in recruiting, staffing, search services, placement and consulting solutions for the Automated Packaging & Material Handling Industries. We deliver qualified job candidates quickly and professionally.**

DRI fills key positions and builds successful teams for top companies specializing in material handling systems, warehouse management software as well as automated packaging systems and capital equipment.

Our success can be attributed to the trust and relationships we have built with clients & candidates alike. Discretion, confidentiality, honesty and integrity are the guiding principles of our business and our promise to those we serve.

The DRI team is comprised of Automated Packaging and Material Handling Senior Recruiters and Research Associates who have a thorough understanding of the industry, current job market, and what it takes to fill open positions. On a daily basis, we are in contact with executive management and hiring authorities looking to hire top professionals in these areas:

### Here's what one client had to say about Direct Recruiters and Dan Charney:

*"I sent out an SOS to a colleague regarding an open Sales Rep position in Texas. He recommended that I contact Direct Recruiters and Dan Charney. I found Dan to be very knowledgeable and industry-savvy so that we didn't have to start at ground zero. Within a few days, Dan located 5 qualified candidates available to interview. I found 4 of the 5 to be contenders but there was one in particular that stood out. She was a great match based on the chemistry of our company, job description and me! Because of Dan's admirable efforts, industry knowledge and pleasant attitude, I will only contact him and Direct Recruiters for our future job openings."*
