Medical & Pharmaceutical Packaging

Top medical and pharmaceutical packaging companies are turning to DRI for experienced professionals in packaging and equipment for the healthcare and pharmaceutical industry including folding cartons, sterile packaging, thermal packaging, clinical trial packaging, creative packaging, blisterpak, contract packaging, flexible packaging, liquid fillers, cappers, sealers and tube filling.

● Contact: Dan Charney at 440-248-3370 x110 / dan@directrecruiters.com

Pharmaceutical Processing

Pharmaceutical processing is a way to process prescription drugs and other substances to keep society and the environment safe from harm or contamination. DRI works closely with companies that are on the leading edge of these advances specifically in the areas of Clean Room Equipment & Supplies, Process Automation, Processing Equipment, Packaging, Process Components, Supplies & Instrumentation, and Raw Materials / Pharmaceutical Ingredients.

● Contact: Dan Charney at 440-248-3370 x110 / dan@directrecruiters.com

Lab Equipment

Laboratory equipment is quickly evolving in order to respond to present needs and future demands. There is pressure to hire and retain skilled professionals who possess the knowledge necessary to stay competitive. DRI delivers qualified talent with exceptional drive, intelligence, skill sets, and a technical understanding in lab technologies and markets including: Environmental & Field Testing, Food and Beverage, OEM, Forensics, Biofuels, Lab Safety, Life Sciences, Pharmaceutical Technologies, and Laboratory Design & Furnishings.

● Contact: Dan Charney at 440-238-3370 x110 / dan@directrecruiters.com

Sensors & Controls

DRI realizes that today's industry relies heavily on sensors in its products and factories. New sensing technologies continue to emerge thus new product capabilities will improve performance and efficiency. DRI provides business and employment solutions to companies experiencing growth and challenges due to the boom of sensors and sensor-integrated systems.

● Contact: Robert Cohn at 440-248-3370 x116 / robert@directrecruiters.com

Public Safety & Government Technology

DRI recognizes the myriad of changes taking place in the Federal and Public Safety communications community and industry. DRI has the knowledge, resources and top talent to help clients move forward and keep pace.

DRI is a member of The Association of Public Safety Commissions Officials (APCO). Our membership allows us to network with members of the world's largest Public Safety Communications organization.
