

## Practice Area | Enterprise Mobility

**Direct Recruiters specializes in recruiting, staffing, and consulting solutions for Mobility in Supply Chain.**

Mobility is a vital extension to your supply chain. With growing customer demands and complex business operations and processes, a sluggish supply chain won't do. Wireless technology and mobile devices are revolutionizing the exchange of information throughout the enterprise. It enables communications wherever and whenever it's needed.

At DRI, we are an integral part of this revolution and offer employment solutions for organizations specializing in and offering mobility applications for tablets, PDA's and laptop computers, wireless LANS, mobile radios, private wireless systems and a variety of enterprise software solutions.

Vertical markets served consist of Field Service, Transportation/Logistics, Utilities, Telco, Manufacturing, Retail, Medical/Healthcare and others.

The DRI team is comprised of Senior Recruiters and Research Associates who are dedicated to helping executive management and hiring authorities fill open positions with top professionals and executives listed below:

### Sales & Marketing:

- VP Sales
- Sales Manager
- Sales Representative
- Pre & Post Sales Support
- Account Manager
- Marketing Manager
- Product Manager

### Engineering:

- Pre & Post Sales Engineer
- Application Engineer
- Enterprise Network Engineer
- Mobility Engineer
- Mobility Software Engineer

### Here's what one client had to say about Direct Recruiters and David Peterson:

*"David Peterson and Direct Recruiters did a great job! They didn't waste time in finding the right candidate for the Account Manager position we had open in Cincinnati, Ohio. I don't usually grant exclusives but when David guaranteed he would be successful in his search, I was open to the idea and was not disappointed. I would recommend the services of David Peterson and Direct Recruiters. My experience with them was a positive one."*
