

## Practice Area | Industrial & Electrical Automation and Sensors & Controls

**Direct Recruiters specializes in recruiting, staffing, search, and consulting solutions for the Industrial & Electrical Automation and Sensors & Controls Industries. We deliver qualified job candidates quickly and professionally.**

Industry today relies heavily on industrial and electrical automation systems as well as sensors and controls so businesses must be confident that they are placing their search for top talent in capable hands.

DRI provides business and employment solutions by filling open positions, to companies experiencing growth and challenges due to the boom of these disciplines.

The DRI team is comprised of Industrial & Electrical Automation and Sensors & Controls Senior Recruiters and Research Associates who have a thorough understanding of the industry and current job market. On a daily basis, we are in contact with executive management and hiring authorities looking to hire top professionals in the areas below:

- Executive Level
- Vice President
- Business Development
- Engineering
- Sales
- Marketing
- Procurement Director
- Product & Project Managers

### Here's what one client had to say about Direct Recruiters and Robert Cohn:

*"DRI's process was easy and I was able to select the right candidate to fill the position of Application Product Specialist. Robert Cohn did a good job as our Recruiter and I liked his follow-up efforts. I would work with Robert and DRI again."*
