

Practice Area | Supply Chain Automation & AIDC

Direct Recruiters specializes in recruiting, staffing, search services, placement and consulting solutions for the Supply Chain and AIDC Industry.

We deliver qualified job candidates quickly and professionally for:

- Supply Chain Automation
- AIDC (Automatic Identification & Data Capture)
- RFID (Radio Frequency Identification)
- Barcode
- Data Collection

Our recruiting expertise has earned DRI national attention from industry associations and publications such as AIM Global, Business Solutions Magazine, and Supply Chain & Demand Executive, RFID Journal and RFID Product News.

Our success in the executive search industry can be attributed to the trust and relationships we have built with clients and candidates alike over the years. Discretion, confidentiality, honesty and integrity are the guiding principles of our business and our promise to those we serve.

The DRI team is comprised of Senior Recruiters and Research Associates who have a thorough understanding of the Supply Chain and AIDC industry, current job market and how to fill open positions. On a daily basis, we are in contact with executive management and hiring authorities looking to hire top professionals in the areas below:

Here's what one client had to say about Direct Recruiters:

"I trust Shel Myeroff and DRI implicitly. They have been a valuable partner for me over the past 15 years. Shel and his staff know the industry, the competition and many of the sales people in the industry extremely well. They know the overachievers, as well as the underachievers, and they are very honest and accurate with the description of these people when they present them to me. Shel and his team usually complete my search request within 2 to 4 weeks. I deal with DRI exclusively."

Joe Frustaci
North East Regional Sales Director
